

On the path of **Right Speech**, you open your hands and talk the talk...

יד

Letter **Yod** (in red above) means “hand” and is part of all the letters of the Hebrew alphabet. Hand is also our main tool of communication,

from signing to praying to pointing to palm reading to finger printing to laying on hands and now to the shadow on the wall formed by two hands joined at the thumbs, evoking Eagle English...

ש Letter-being Peh Final

Imagine that the 9-branch candelabrum is your 2 hands joined at the thumbs: the world is at your fingertips, when you can honestly voice the obedient YES of a sheep and/or the rebellious NO of a goat... Practice speaking YES/NO so clearly your WORD creates the results you wished for!
